Material Origin Certification :

05.02.2018

To whom it may concern ,

This letter serves to certify that Buffalo Tanks purchase raw material directly from ACD RotoFlo for the manufacturing of in particular Water Tanks in sizes between 500 and 10000 Litres .

ACD RotoFlo acquire base grade raw material LLDPE polymer from Sasol Polymers or approved suppliers from offshore sources equivalent to Sasol raw material or better .

For reference purposes attached please see Data Sheet for H 359 Standard Tank grades of material as well as a Material Safety Data Sheet for LLDPE . For further reference we have attached a copy of correspondence relating to FDA requirements .

Should you require any additional information please do not hesitate to contact the undersigned .
